RESULTS

WHAT'S A

“WHO CALLED”?

(BLUE SECTION)

USE IT DAILY TO

1. Identify callers who leave phone number only.
2. Identify as business or residential.
3. Decide whether to return call, once name of caller is learned.
4. Identify callers who leave name and phone No. but not Company name.
5. Obtain name of all firms operating under same phone no.
6. Get out pertinent file prior to returning call.
7. Ascertain correct name and address on poorly written or misspelt messages.
8. Decode “blind” telephone numbers.
9. Determine name and address from classified Ads.
10. Authenticate phone solicitations. Ask for phone number, then verify.
11. Track down full personal data from the slimmest lead – a telephone number.
